The administrator of the Wesley Mission establishment will be based in the minister's office. From time to time, they will be using other rooms for staff meetings etc. This was set up before the current congregational arrangement came into place and is, in part, a recognition that the toilet and shower facilities were provided for our church at no cost to us. Those facilities are available for our use and have upgraded our facilities to current legal requirements. Please offer any Wesley Mission personnel you meet our friendship and hospitality.
