

My son was just born and another dad at the nursery congratulated me and said his daughter was born yesterday..... said maybe they'll marry each other. Sure like my son is going to marry someone twice his age.

I had the rudest, slowest, nastiest cashier today. I guess it's my own fault for using the self checkout lane.

Our prayers:

for continued improvement for congregation members' health

for understanding of the issues facing us as a church

for a global solution to Covid -19

for equipment and medications to reach those countries with major Covid outbreaks

for comfort those who are grieving

A fortnight ago Rev Brian Gilbert preached to us. His sermon mentioned a book by Jordan Petersen and by a strange (? Godly?) coincidence I had just finished reading his “**12 rules for life**” book. One of the things that Petersen mentioned in his book was a study done on hundreds of people that medically showed (through blood tests) that standing up straight, shoulders back and looking forward, increases serotonin levels in our body, and thereby improves our outlook/mood/optimism/hope.....whatever you want to call it. Maybe it is why we feel good after we sing hymns in church.

Please join us Mondays at midday as we pray the Moderator's weekly Prayer

God of compassion we pray for all people who suffer at the hands of others. This week we especially think of those who are affected by Domestic Violence. Where there is hurt and abuse bring your healing, where there is anxiety bring your peace, where there is isolation bring your love. Help us all to have the courage to speak out and act against the abuse of your beloved people.

Amen.
