From this week's Uniting News:

Let us choose to work well with what we have-

Pour oil into all the jars - 2 Kings 4:4

Through our beliefs and our work, we can create change. Let us hear and believe - and do what we can with what we have. Y H. Bonar

Prayer for the week

God of life, you call us into the world to be a people of change, a people who choose to make this world a better place for all. Help us loving God amid the chaos of war, the misery of poverty, the suffering of illness and the heartbreak of isolation to reach out with our voices together to bring about healing in our world.

Lord of hope, let us use the gifts and talents that we have to be a people of action who use our hands and feet to bring about real change in our fractured world. Spirit of peace help us to be the peacemakers that Christ taught us to be, to offer solutions that bring about a lasting peace for all people. Send us out in your name to bring about Christ's compassionate care for the whole world.

In Christ's name, we pray.

Amen

Living Water: from "Bread for each Day- July 6th"

...the water that I shall give him shall be in him a well of water springing up into everlasting life. John 4:14

A famous surgeon was seldom seen on the streets without a beautiful rose in his lapel. His friends wondered why these buds stayed fresh for so long a time. When they asked him his secret, he turned back the flap of his coat and revealed a little bottle of water into which the stem of the flower had been inserted to keep it from wilting. And so it is with Christians. If their lives draw from the great resources of the Lord Jesus Christ, who is in them the Water of Life, they will grow more fragrant and beautiful as the days and years go by.

I came to Jesus and I drank
Of his life giving stream;
My thirst was quenched, my soul revived,
And now I live in Him!

(From the well known hymn by H. Bonar)
