The tan-lines of the next generation...

Quote of the Day

Heat makes things expand. So I don't have a weight problem. I'm just hot.

Lectionary Bible Readings

12th February

8:30am Rev Bruce Johnson

Sat 11th Feb

Indoor Bowls with Wilf and Mavis

Sun 17th Feb

8:30 am Rev Jan Rossow

Please join us for morning tea, after the service.

This year's World Day of Prayer is on 3rd March at St Peter's Anglican Church, Maroochydore.

Pam has been busy making jams again this week. As well as some she made last week, she has some marmalade and ginger varieties for sale, after church.

Birthdays this week: Ivo Bunker 13th

Moderator's Prayer for February:

Father God we are your pilgrim people, and we give thanks that you are with us as we travel - in every circumstance, in the light and in the shadow.

We pray for those who have been impacted by the tragic earthquakes in Syria and Turkey - the people who have died, their families and loved ones, emergency responders who are doing all they can in unimaginable difficulty, those who have survived and will need to grieve and rebuild and find a way forward.

We pray for leaders and aid agencies across the globe that they work with these communities to find the best ways to help and support.

Jesus, guide us today to do what we can - may we journey humbly and obediently and trust the path you place before us.

"It is required that those who have been given a trust must prove faithful." 1 Corinthians 4:2

Faithfulness requires making 100% of your effort 100% of the time. The magazine *Insight* once published an article by Gary Sheer called "Strive for Perfection or Else!" It contained some alarming facts! The article said if 99.9% was good enough, 103,260 Income tax returns would be processed incorrectly that year, 22,000 cheques would be deducted from the wrong bank accounts within the next sixty minutes, 12 babies would be given to the wrong parents each day, two plane landings daily at O'Hare International airport would be unsafe, 18,322 pieces of mail would be mishandled in the next hour, 291 pacemaker operations would be performed incorrectly that year, 880,000 credit cards in circulation would turn out to have incorrect cardholder information on their magnetic strips, 20,000 incorrect medicine prescriptions would be written within the next 12 months, and 107 incorrect medical procedures would be performed by the end of the day. Those are pretty sobering statistics, especially if you are one of the people whose life is affected! Here is the bottom line: only your best should be good enough in any situation. Anything less than that will never be good enough because it reflects your failure to be totally faithful and completely dependable. That's why the Bible says; "It is required that those who have been given a trust must prove faithful." With God, faithfulness isn't merely a concept or a suggestion; it's a requirement of all who serve Him – and that includes you!
