Moderator's Prayer for February:

Father God we are your pilgrim people, and we give thanks that you are with us as we travel - in every circumstance, in the light and in the shadow.

We pray for those who have been impacted by the tragic earthquakes in Syria and Turkey - the people who have died, their families and loved ones, emergency responders who are doing all they can in unimaginable difficulty, those who have survived and will need to grieve and rebuild and find a way forward.

We pray for leaders and aid agencies across the globe that they work with these communities to find the best ways to help and support.

Jesus, guide us today to do what we can - may we journey humbly and obediently and trust the path you place before us.

Sometimes I just look up,
smile and say,
"I know that was you GOD!
Thanks!"

When we pray, God works.
