

I'm always surprised when heavily tattooed couples have a baby and it comes out blank.

Decided I need to eat something healthy so I made a delicious omelet this morning! I seasoned the eggs with sugar, oil, chocolate, and threw in a little flour for texture. Here is the end result!

On Purpose with a Purpose

I praise you because you made me in an amazing and wonderful way....All the days planned for me were written in your book before I was one day old. Psalm139:14.16

The Christmas tree hunt is on. We lift limbs and examine needles. We measure. We ponder. We consider. We barter.

Do you purchase the first tree you see? Of course not. You search for the right one. You examine them from all angles until you decide. This one is perfect. You have a place in mind where the tree will sit. Not just any tree will do.

God does the same. He knows just the place where you'll be placed. He has a barren living room in desperate need of warmth and joy. A corner of the world needs some colour. He selected you with that place in mind. God made you on purpose with a purpose. He interwove calendar and character, circumstance and personality to create the right person for the right corner of the world, and then he paid the price to take you home. *From You Can Count in God by Max Lucado*
