

The oldest computer can be traced back to Adam and Eve.

Surprise! Surprise!

It was an Apple.

But with extremely limited memory.

Just 1 byte.

Then everything crashed.

Today's Housekeeping Tip!
Always keep some Get Well cards on the mantelpiece ... that way if you have unexpected visitors, they'll think you've been sick and unable to clean.

Advice from a Singer Sewing Machine Manual from 1949

Prepare yourself mentally for sewing.

Think about what you are going to do. Never approach sewing with a sigh or lackadaisicality. Good results are difficult when indifference dominates. Never try to sew with a sink full of dirty dishes or beds unmade.

When there are urgent housekeeping chores, do these first so that your mind is free to enjoy your sewing. When you sew, make yourself as attractive as possible. Put on a clean dress. Keep a little bag of French chalk near your sewing machine to dust your fingers at intervals. Have your hair in order, powder and lipstick put on. If you are constantly fearful that a visitor might drop in or your husband will come home, and you will not look neatly put together, you will not enjoy your sewing.

I got myself a seniors' GPS. Not only does it tell me how to get to my destination, it tells me why I wanted to go there.

GETTING THERE

"Come ye after Me."
MARK 1:17

Where the selective affinity dies and the sanctified abandon lives. One of the greatest hindrances in coming to Jesus is the excuse of temperament. We make our temperament and our natural affinities barriers to coming to Jesus. The first thing we realize when we come to Jesus is that He pays no attention whatever to our natural affinities. We have the notion that we can consecrate our gifts to God. You cannot consecrate what is not yours; there is only one thing you can consecrate to God, and that is your right to yourself (Romans 12:1). If you will give God your right to yourself, He will make a holy experiment out of you. God's experiments always succeed. The one mark of a saint is the moral originality which springs from abandonment to Jesus Christ. In the life of a saint there is this amazing wellspring of original life all the time; the Spirit of God is a well of water springing up, perennially fresh. The saint realizes that it is God Who engineers circumstances, consequently there is no whine, but a reckless abandon to Jesus. Never make a principle out of your experience; let God be as original with other people as He is with you.

If you abandon to Jesus, and come when He says "Come," He will continue to say "Come" through you; you will go out into life reproducing the echo of Christ's "Come." That is the result in every soul who has abandoned and come to Jesus.

Have I come to Jesus? Will I come now?
